**Acknowledgement** (check box if your response is yes)

The Biodiversity Month is a contribution to the International Biodiversity Observation Year 2001-2002. Acknowledgement of the Biodiversity Month and the International Biodiversity Observation Year 2001-2002 would be appreciated.

- The words *Explore Your World! Biodiversity Month* will be included in my event.
- The words *International Biodiversity Observation Year 2001-2002* will be included in my event.
- The Biodiversity Month logo will be used in my event.
- The Biodiversity Month URL will be used in my event.
- I will use the Biodiversity Month Poster(s).
- I will use the Biodiversity Month *Biodiversity Fact Sheet*.
- I will use the Biodiversity Month *Make a Difference* tip sheet.

**Event Participation**

- My event findings and activities will be reported back to the Biodiversity Month in May 2002.

**Note: Biodiversity Month, International Biodiversity Observation Year and the Natural Resource Ecology Laboratory are offices of Colorado State University, an entity of the State of Colorado, and as such, no liability protection or insurance of any type is provided to other entities, organizations, institutions, or individuals. All liability protection and all insurances are the specific responsibility of the event sponsor/s, organizer/s, and or host/s.**
